

NUNAWADING HIGH SCHOOL GOLDEN JUBILEE

Newsletter – 3. September 17 2005

Jubilee Celebration Sunday November 27th 2005. Forest Hill College, Mahoneys Road Forest Hill. 11am to 4pm

What a staunch mob you are!

The NHS Golden Jubilee is going to be the memorable event we envisaged.

Registrations and payments have been rolling in these past weeks. Thanks to all of you who have sent your payments as it has given a big boost to our plans for every aspect of the Jubilee. For those who haven't, there's no time like the present!

We are very grateful for the donations that have been added to the registrations. We especially thank those unable to make it in November who sent in donations. On behalf of everyone attending the Jubilee celebrations please accept our deep appreciation.

There has been an encouraging response to our appeal for advertising and sponsorship for Churinga – the already famous Golden Jubilee Edition. The level of support will determine the quality of Churinga 2005.

We are planning a truly great publication with wide circulation. We're not there with financial support but it's looking better day-by-day.

Think about sponsoring Churinga or advertising with us.

New Blood.

More people have stepped forward to help. The Jubilee owes a lot to them.

Publicity:

Robyn Bright, Sue Ward (both 1963-68), Jodie Urquhart (1984-89) and Jodie's mum, Helen, have been placing flyers around the eastern suburbs.

Churinga Editorial:

Anne Ducray (1963 – 1968) will probably have been in touch with you for contributions to Churinga 2005. If you have something in mind to tell us about yourself, if you have interesting anecdotes, adventures or stories and observations from any aspect of your life then you should let us in on them. Your story will be of interest.

Isn't it just amazing that you get to this stage of your life and you're still being asked to contribute to Churinga!!

The deadline is October 14 ... that's pretty soon, isn't it?

Send in your preferred personal photo with your article.

Churinga Advertising:

Maxine Thom (1958-63), Nicholas Rogers (1959-64) and Ian Armstrong (1960-65) are seeking further advertising and sponsorship for Churinga 2005.

More and more people are offering assistance. Tasks are gradually being allocated. Some people from interstate are coming to Melbourne early to help in the final days before the Jubilee. I said earlier you're staunch!

Catering:

Peter Hocking (1959-64) is overseeing the Jubilee Day catering arrangements. It is pretty fortunate he offered. Peter was quality controller for the food departments of Myer Stores for twenty years.
